

DISASTER RELIEF ASSISTANCE

Disaster Relief Australia (DRA) is a new Australia-wide organisation that provides support to rural communities when disaster strikes – most importantly, they can respond if/when just a few homes/properties are affected.

Balingup Progress Association has invited DRA to visit the town to explain their role and give a short presentation followed by discussion.

This is an important topic and Member for Collie Preston, Jodie Hanns, has confirmed she will also attend.

Friday 5th September 2025

1pm

Balingup Recreation Centre

Please RSVP to balinguppa@outlook.com.

Disaster Relief Australia's post

When disaster strikes, Australians are always ready to help. Under the direction of Disaster Relief Australia, the NAB Foundation Recovery Crew turns this incredible community spirit into coordinated support.

The NAB Foundation Recovery Crew provides an avenue for residents and businesses to pitch in and help, whether for a few days or just a few hours.

Want to join the crew? Register now!

In partnership with Disaster Relief Australia, the NAB Foundation Recovery Crew provides coordinated assistance to communities recovering from disasters, uniting everyday Australians and businesses who are ready to roll up their sleeves and help out when and where they can.
