

Balingup Small Farm Field Day

2025

1. Another successful field day. Our programme was well received and no incidents or complaints were received.
2. A large children's programme sponsored by Talison and run by Sonja Franks and Anne Morton was very successful.
3. Unfortunately, number of patrons and stalls was down even though we advertised more.
4. We will break even and at our washup meeting it was agreed to commit to another event in 2026.
5. Earlier final programme next year will be tried next year and having our website up and running by the end of December.
6. Changes will have to be made to make the event pay for itself.
 - a. Traffic control costs have to be reduced (this year was almost \$8000) Walter Street not to be closed.
 - b. Parking on Southwest highway to be cancelled. This cost us almost \$4000. Parking in town and school oval instead. This will reduce our traffic management costs
 - c. PA system for announcements to be reduced and only stage will have a sound system.

The committee feel that the above changes will help keep the event viable.

I thank my committee for their hard work and the volunteers who gave up their time for the BSFFD.

BALINGUP MENS FORUM. 2025

The group formanily know as Balingup Men inSheds has now renamed itself as Balingup Mens Forum.

We continue to meet on a monthly basis and try to attract guest speakers.
We are also using some members to give a presentation when necessary.

We continue to try and attract men to join ús for an informal social evening just to talk about anything that may be effecting them.
