Highlights

- First full 12 month annual program launched with 83 community members present;
- First major professional theatre production Theatre 180 The Lighthouse Girl Saga staged in partnership with the Shire;
- First collaborations with the Blackwood River Arts Trail (BRAT) and Southern Forest Arts that saw the official launch held in the Balingup Town Hall;
- First BRAT-Balingup film festival in collaboration with BRAT;
- **First professional dance and choreographic session** Floeur Adler provided a ballet workshop that attracted participants from across the South West;
- First collaboration on Children's Theatre with Sandy Mitchell's acclaimed Balingup production of Mary and Frankenstein and which was re-presented as part of the 2025 Telling Tales Children's Festival;
- First major national award winning production for children Whalebone (Jens Altheimer) sponsored by Talison-Lithium Greenbushes and brought to Balingup from Melbourne and staged free-of-charge for all primary students from Balingup, Kirup and Greenbushes and home-schooled children in the Balingup PS catchment area)
- First in a new BACH music program Morning Melodies held bi-monthly for older and all
 people who want to enjoy a professional music performance but who do not want to travel
 at night;
- First Stand Up Comedy Performance by award-winning comedian Emma Krause;
- First Collaboration the Shine Project young singer songwriters Quindalup Sound Waves Studio;

- First commercial wedding featuring Noongar and Jewish cultural dimensions delivered by BACH in-house stylists and technical team Sandy, Sean, Madeleine Mitchell and Matt Andrews:
- **First Wedding Expo** featuring Shire of Donnybrook-Balingup local suppliers in collaboration with Jalbrook Estate, Balingup and the Balingup and Districts Tourism Association (BADTA);
- First major Department of Local Government, Sport and Cultural Industries (DLGSC)
 grant application which received a score of Unfunded Excellence, meaning the fund ran
 out of money to fund this application but was ranked as highly worthy of funding;
- First successful grant application with Regional Arts WA for the BACH Next Gen Winter School for Singer Songwriters; and
- First free community BACH pre-ball dance lessons conducted by Zeanna Bond.

All of these firsts were offered on top of the comprehensive existing professional performance and community engagement programs and continuing support for Shire of Donnybrook-Balingup local business! A cause for Celebration. A major grant application to the then Department of Local Government Sport and Cultural Industries (DLGSC) lodged in January 2025 was assessed as being of 'Unfunded Excellence' in that it would have received funding there were sufficient funds. A second grant application of \$5 000 to Regional Arts WA for the Next Gen Young Singer-Songwriter program was successful.

I am very grateful for the sense of community that is unique in many ways to Balingup and to our guiding principles of **Creativity, Community and Growth**. These principles reflect BACH's commitment to bring extraordinary events and on-going, all-year-round community engagement programs to the Shire, enriching the lives of residents and visitors as well as enhancing community wellbeing and social cohesion.

I am particularly grateful to the Mitchell Family, Sandy, Sean and Madeleine with their incredible artistic talents and their generosity and giving to Balingup. I am also very grateful for the tireless support provided by Jodie Hornum and Gary Hodge on every aspect of administration, governance, data and information management, website maintenance and online bookings management. A big thank you to you all.
