Please get behind a local community initiative to recycle soft plastics in Balingup.

We have two red bins situated at the Balingup Community Forest Garden shed ( behind the Fire Shed)- please read all the signs and recycle your waste appropriately. Remember: ALL PLASTIC MUST BE CLEAN AND DRY!!!

If anyone passes through eaton periodically or manjimup please PM me so we can band together a group of volunteers to drop off full redcycle bags.

## Soft plastic recycling

The REDcycle Program makes it easy for consumers to keep plastic bags and packaging out of landfill.
